

August, 2022

Dear Friends,

It will soon be time for the **25th annual Bloomington Breast Cancer Awareness Walk**. We hope you will **join us for the Walk and honor breast cancer survivors in our own community**. The purpose of the Walk is to promote awareness, to educate, and to show support for those who have been touched by breast cancer. We are inviting young and old, along with well-behaved pets.

You can make a difference by becoming a Sponsor. With your support, we are able to underwrite the Walk and provide free t-shirts. All it takes is a donation of \$200 or more to become a Sponsor. Your donation beyond our expenses also allows us to support **local** programs benefiting women and men with breast cancer.

If you are able to donate \$200 or more with a check or with an equivalent in-kind donation, your name will be printed as a Sponsor on the back of the free t-shirts we will be giving away, on our website and on our social media. In-kind donations are always appreciated in the form of a gift for the breast cancer survivors that we will be honoring. Please send an email to btowncancerwalk@gmail.com regarding in-kind Sponsorships.

If you are not able to donate this year, **here are some other ways that you can still support the walk:**

- Encourage your business to support a "Pink Day" among your employees.
- Encourage your employees and family to participate in an activity that promotes awareness, either by organizing a walk, decorating your office, car, etc.
- Submit photos of your promotional activities to:

Be sure to mark your calendar for October 29, 2022!

Come join us to support a terrific cause. We look forward to seeing you there!
